Short Form *specification*

Unit to be Falcon F900 Series electric boiling pan having a 150 litre capacity pan to be supplied upon adjustable feet.

The hob will be constructed from 2mm 304 grade stainless steel. Hobs will be laser cut with right-angled edges to allow joining of units with no gaps between hobs. Exterior panels are Scotch Brite finish stainless steel. Control knobs to be marked showing temperature positions and to have a bezel behind each knob to prevent water ingress.

Installation note

Please consult local legislation with regard to installation of cooking equipment.
